

A Friendly Reminder to Strand Owners

Landscape Communication

Dear Strand SFHOA Owners,

I am providing the reminder that the Board of Directors in cooperation with Leo Jr. has set up a link on the Strand website for you to communicate directly with Leo Jr. on landscape changes, concerns or enhancements.

Please go to:

www.thestrandhoa.info

Username: strandhoa

Password: 2016

On the left hand column select Landscape Request/Mulch Change “Link” and it will open up and you can enter your information and the nature of your request and it will go directly to Leo Jr., the Property Manager and the Board Landscape Chairperson.

Your consideration is appreciated and we know this will provide the communication and response you are looking for.

All the best,

Mike Towns

Strand SFHOA Property Manager
